The Maury Foundation

"Navigating Futures, Shaping Lives"

Together we can make a difference and support Maury and its students, faculty, coaches and staff.

Since 1911, students have entered the front doors of Maury High School and realized its many offerings – a quality education, lasting friendships and valuable life lessons. Secured by the strong foundation Maury provides, students depart from the school well prepared for the future.

The Maury Foundation wants to continue this tradition of navigating futures and shaping lives. Founded in 1986 by Maury alumni, The Maury Foundation is a non-profit corporation whose primary mission is to provide college scholarships to graduating seniors.

Additional areas of support include grants to pay for school equipment and special events not funded by local, state or federal funds. Most importantly, The Foundation has awarded over \$90,000 in college scholarships over the past 10 years.

WE NEED YOUR HELP TO CONTINUE THIS TRADITION.

Please consider making a tax-deductible donation to the 2013 annual fund that will directly impact the lives of current and future Maury alumni. You can fill out the enclosed envelope, or donate directly through our website. Or, purchase a customized brick that will be placed at the school entrance. Be a part of navigating the future of a Maury High School student!
